X-REKORDZ IS LOOKING FOR

GRAPHIC DESIGNERS

POSITION REQUIREMENTS

- *Assist Creative Director with any design-related projects.*

- *Assist future writers and new write up projects with any design work needed.*

We are open to getting applications from anyone with design knowledge from any part of Nigeria (preferably Kaduna).
If you're very far from venues for meetings, we welcome anyone who can work remotely with us.

Note: This position is **unpaid**, we are still building this organization/community but we can promise a new experience with new friends and projects that will help you be open to great opportunities.

Also X-Rekordz does sales of merchandise from time to time, being a **team** member gives you an exclusive discount on some of our items ranging from 50 - 100% discount (Yes! 100%).

SKILLS REQUIRED

- *Proficiency in the Adobe CS Suite, especially in Photoshop or whichever related software(s) of your choice.*

- *Ability to design original work and produce it in timely fashion.*

- *Great communication skills and able to work well with others.*

- *Genuine interest in music, arts and anything in the scope of X-Rekordz.*

- *A highly motivated self-starter who takes initiative and requires minimal supervision.*

- *Computer-literate performer covering wide variety of applications and software.*

- *Attentive to detail and have strong desire to produce quality work.*

Contact us via our email: **teamxrekordz@gmail.com** with your e-portfolio link, resume, availability, social media handles and whatever that will make us like you.

We look forward to receiving your emails.
